

Dear Parent/Carer,

07.04.25

As we are fast approaching the end of Spring Term, I thought it would be a good time to remind you of the benefits of applying for free school meals.

All Reception and Key Stage 1 pupils are entitled to a school meal, cost free. However, this is not the same as receiving income based free school meals, which leads to further entitlements such as food vouchers (currently £15 per week, every school holiday, to spend in a range of supermarkets).

Our school also receives funding, based on the number of children who have claimed, where eligible, free school meals. This funding is invested back into school to ensure all our pupils, regardless of background, are able to meet their full potential.

Please click on the link below to find out if you are eligible and if you think you are, do not hesitate to apply, unlocking benefits for not only your family, but for our school too:
