

7th October 2025

This year we will again be donating your wonderful Harvest donations as we did last year, to Feeding Families, a charity who offers hope and support to those experiencing food insecurity. As you know the charity has supported our Battle Hill Community so much in the past, with many of our families benefiting from their food hampers.

'Feeding Families is a charity based in North East England that offers support, hope and security to those experiencing food poverty. Working closely with other organisations and agencies, we ensure that thousands of families in desperate need have access to our Emergency Food Boxes and support packages. At Feeding Families, we don't think anyone should go hungry. We believe everyone has the right to be able to feed themselves and their children. Feeding Families offers more than just food, it shows compassion to those in crisis.'

We will be collecting Harvest donations from today, until Wednesday 22nd October. Parcels will be delivered to Feeding Families on Friday 24th October.

Please see below for suggested items to donate.

Thank you in advance for your generosity!
